Flexi-Boarding

The Flexi-Boarding option allows children to board for a set night or nights each week throughout the term. Flexi-boarders follow the same routines as full weekly boarders. They have set beds and space to store possessions to save having to bring too much home each week.

Day Boarding

This provides parents whose children are day pupils and in Years 3 or above with greater flexibility. You can make use of Day Boarding on a regular or occasional basis; whenever your children need to arrive earlier or leave later than the core school day. Day boarders join the Boarding House for morning or evening meals as well as study periods and supervised activities. These are varied each night and range from different games in the sports hall, sessions in the pool, activities in specialist areas like music or ICT, as well as use of the woods and field. Whole House games and challenges are also played such as quizzes or treasure hunts.

Breakfast (7.30-8.00am) Monday -Friday

This is a cooked breakfast and can consist of the following:- eggs, bacon, sausages, beans, mushrooms, toast etc. A variety of healthy cereals, low in sugar content are also available with a fruit juice option and tea. Water and fruit are always available. This is a very social occasion shared with the Boarding House staff. Children then brush their teeth in the House and leave for school at 8.10am.

Study Period and Evening Meal

The school day finishes at 5.15pm but children can stay for the extended prep session until 5.55pm. The evening meal is served at 6pm and is the main meeting time when notices and discussions take place with House staff. All meals are ended by giving thanks with a short prayer.

There is always a hot cooked option and this is accompanied by a dessert. A variety of vegetables are provided to accompany the meal. A vegetarian option is always available along with a selection of fruit. Evening boarders also have the additional choice of a 'study period' from 7.00-8.00pm, if needed, as part of Feltonfleet Knights 'Choices' programme. Children may have use of the computer facilities if necessary. All of these sessions are staffed by the House Tutors, all of whom are teaching staff who can guide pupils through any specific difficulties.

Single Night Boarding

There may be occasions when a pupil wants to try one night of boarding or parents are away and would like to leave their son or daughter to stay at school with friends. This option begins at 5.30pm all the way through to include breakfast the following day.

Children can also be booked in for longer periods of time (space permitting).

Please note all boarding credits must be used in the term for which they have been booked.

If you require more information about any aspect of Boarding at Feltonfleet and the options available, please contact Matthew Rochford, Head of Boarding, on: matt.rochford@feltonfleet.co.uk
