

Feltonfleet's smart, dedicated minibuses are driven by experienced, caring drivers. We currently run five* routes to and from the school.

Why not make your school runs a little easier?

*We are happy to discuss additional routes.

BENEFITS FOR FAMILIES

The Feltonfleet Coach and Minibus service provides dedicated pick-up and drop-off services for pupils.

- All our drivers are trained, qualified and experienced
- Save the time, stress and inconvenience of a daily school run
- Your child will feel more independent and create new friendship groups
- Reduce your carbon footprint through lower emissions
- Save on fuel and vehicle wear and tear.

COACH AND MINIBUS ROUTES

Additional routes will be considered according to demand – possibly Weybridge/Walton and East and West Horsley.

BENEFITS FOR THE ENVIRONMENT

Traffic congestion is a major contributor to air pollution, emitting higher levels of harmful emissions than free-flowing traffic. A large proportion of early morning traffic congestion is caused by the school run.

If we can reduce the number of cars being used for the school run, we will be making a difference.
